

Loring Restoule Business Association
Box 153 Port Loring, ON P0H 1Y0
www.LoringRestoule.com
Email: lrbabusiness@gmail.com

Hello everyone!

We thank you for your continued support with your annual membership. We welcome local businesses to join the Loring Restoule Business Association; a non-profit organization dedicated to promoting members' businesses, tourism and exposure to the Loring, Restoule and surrounding areas. Your business will benefit from our efforts by drawing visitors to the area and increasing exposure, even if you are not directly involved in tourism.

Membership fees go directly to projects, operating costs and marketing of the area. The volunteer board of directors welcome your involvement, input and ideas to strengthen our communities and businesses.

Membership benefits include: a listing in the annual business directory; a web listing on the loringrestoule.com website; Facebook/social media promotion and support; ability to display promotional material at LRBA information booths throughout the region; business referrals; networking. For 2026, we plan to change the format from the folded brochure to a magazine style marketing tool, in which we will be able to advertise our members more effectively. More details to come – Feb. 2026.

For a full list of benefits, please refer to <https://www.loringrestoule.com/about-us/the-loring-restoule-business-association/>, or contact a member of the executive board.

In 2025, we were 64 members strong with even more interest from new businesses! The Loring Restoule Business Association is a team of businesses that together have successfully identified our region "Loring Restoule" as a separate and identifiable sub region within our Regional Tourism Organization (RTO12 – The Great Canadian Wilderness, formerly Explorer's Edge). Your membership will help to strengthen our organization by increasing our membership and resources. Together, let's continue to build momentum for the Loring Restoule region. Our success depends on your involvement!

2026 Executive Board

Polly Rupert (Rupert's Variety) – President

Tamara Bain (Bain Lake Camp) – Vice President
